Discussion topics

No	Item	Notes
1	Goals achieved	- Homepage / Navigaton bar - Regsiter / Log in / Log out / Account activation - User search
2	Goals not achieved	User profile display not complete
3	What we did well	- We did lots of pair coding - We finished most of the tasks in sprint1 - We had frequent meetings
4	What can be better	- We could make the UI better. - We could try to communicate more effectively.
